the proper place for bylaw no 19(a) is to treat it as bylaw no. 18 and renumber the subsequent bylaws accordingly

4 If that is so numbered, there does not appear to be any necessity to retain clause (c) at all, as it is covered by ^{the present} bylaw no 18. There does not appear to be any reason to punish the breach of a particular portion of the bylaws in one way & the other bylaw in another way, so far as the amount of fine is concerned
